Only You

Chicago

Hold me forever
Whisper the words I've waited so long to hear
Love's sweet surrender
Steals an embrace and kisses away the tearsLookin' back down the road of love
We can still feel the heartache
Pain and joy of an unrelenting love
Hold us together[Chorus]
Only you
You've got control
Only you
You've got the key to my heart
Only you
You've got control
Need your love, take me foreverSad empty faces
Faded away when I fell in love with you
True love erases
Fear and the doubt not knowing we'd see things throughSo in
In a world of illusion
We fell in love until the end of time
True love, forever[Chorus]Lookin' back down the road of love
We can still feel the heartache
Pain and joy of an unrelenting love
Hold us together[Chorus]
