

Peace Be Revenged

Serj Tankian

Where are we to go?
How can we survive?
When the falling rain seems to cease
We will all have to go
Where are we to go?
How can we survive?
When the falling rain seems to cease
We will all go
We have built our lives
Without nature in mind
So that we've become the disease
But we won't go
Those that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revenged
Once we used to hear
But like footsteps appear
Now we have no fear
And in turn will disappear
We have built our lives
Without nature in mind
So that we've become the disease
But we won't go
Those that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revenged
Revenge, revenge
When the rain washes
All the mitochondria
Try to steer your
Intentions into love
When your fears mix with
Brain wash erosions, dear
I won't be here then
You won't be here when

When the rain washes
All the mitochondria
Try to steer your
Intentions into love
When your dear mix with
Brain wash erosions, fear
I won't be here then
You won't be here when
Just watch the rain
Just watch the rain
Rain, watch the rain
Just watch the rain
Just watch the rain
Rain, watch the rain
Where do we go?
How do we meet you?
