Listen

Bic Runga

Listen, this stands to reason
Sure as the season, you know, you and I cant be wrong
When you walk into the room like a song
This cant be wrongTender, long as the leavin
I promise you this evening and its moving me along
But a day away from you is too long
Much, much too long, much, much too longAnd I guess Ill say it plain
Were one and the same, oh yeah
In the face of all thats changed
Well stay the same, oh yeahLast time, I was mistaken
My faith was shaken and my hope was never strong
But the fear inside is already gone
Its already gone, its already goneAnd I guess Ill say it plain
Were one and the same, oh yeah
In the face of all thats changed
Well stay the same, oh yeahAnd I guess Ill say it straight
Were one and the same, oh yeah
In the face of things that change
Well stay the same, oh yeah
