

# Burning Hell

## ESR

I'm goin' down  
To the church house  
    Get down  
On my bended knee  
    Deacon Jones  
    Pray for me  
    Deacon Jones  
    Please pray for me  
Maybe there ain't no Heaven  
    Maybe there ain't no Hell  
Maybe there ain't no Heaven  
    No burnin' Hell  
    No  
    Hey, hey  
I'm goin' down  
To the crossroads  
    With no devil  
    Will I make a deal  
Well, I'm goin' down  
    To the crossroads  
    With no devil  
    Will I make a deal  
Maybe there ain't no Heaven  
    No burnin' Hell  
Maybe there ain't no Heaven  
    No burnin' Hell  
    No  
    Hey  
    When I die  
    Where will I go?  
    When I die  
    Where will I go?  
    Somebody tell me  
    Will somebody tell me?  
    Somebody, please tell me  
    Where will I go?  
Maybe there ain't no Heaven  
    Maybe there ain't no Hell  
    No Heaven

No burnin' Hell  
    Maybe there ain't no Heaven  
        Maybe there ain't no Hell  
        Maybe there ain't no Heaven  
    No burnin' Hell  
        No  
        Hey, hey, hey  
        Hey, hey, hey  
        Hey, hey, hey, hey
