

# Higher

## Higher

now i know how to get down on the floor  
experiencing what you cant ignore  
but something bout this beat just got me hooked  
come over here and take a closer look cause i cant get enough, i cant get enough  
i cant stay on the ground (woah)  
i cant get enough, i cant get enough  
this is taking me now its taking me higher, higher  
higher off the ground (x2) i do this for kicks,  
just for the thrill,  
i got this high, were bout to get a feel  
this move has got me way over the sun  
im dancing like i am the only one cause i cant get enough, i cant get enough  
i cant stay on the ground (woah)  
i cant get enough, i cant get enough  
this is taking me now its taking me higher, higher  
higher off the ground (x2) the music's got me going higher  
i feel like i can touch the sky its taking me higher, higher  
higher off the ground (x4)
