

Wake Up

Suicide Silence

Wake up, wake up.
This is no hallucination
This is what we have become,
this is what dreams are made of.

Go look in the mirror.

Wake up, wake up.
This is no hallucination.
Wake up, wake up.
This is no hallucination.

Do we still exist? I can't see my face.
Or are we just not here?
You can't see my face..

Wake up Wake up. This is no hallucination.
This is what we have become.
This is now what dreams are made of.

(this dream, This dream)
Wake up wake up(x7)

Come on, come on you've got to wake the fuck up

Wake up, Wake up
This is more than you bargained for
It took so long so you ate some more
You did too much man, you did too much!

Wake up wake up
Wake up wake up
Wake up wake up
WAKE UP WAKE UP
