Little Victories

Matt Nathanson

This time I'll be sailing

No more bailing boats for me

I'll be out here on the sea

Just my confidence and meAnd I'll be awful sometimes

Weakened to my knees

But I'll learn to get by

On the little victoriesThis time I'll have no fear

I'll be standing strong and tall

I'll turn my back towards them allAnd I'll be awful sometimes

Weakened to my knees

But I'll learn to get by

And I'll learn to get by

On the little victoriesAnd if the world decides

To catch up with me

Still little victories
