

Bed Rest (Produced By Tricky And The-Dream)

Electrik Red

Baby I wish I could hold you,
Promise I'll never let go of you
Baby you got me gone
Baby you got me gone I don't know why I'm still so sad and blue.
And I don't know why I just can't get over you (ooh)
Cause he didn't go far, you did me no harm you make sure
That I get all that I want so I jus don't know why I'm so sad and blue
When you give me all of you You got me on bed rest
I'm hurtin' for love
You got me on bed rest
It's like I'm givin' life up
Pillows and thoughts not takin' no calls and neva' get up
You got me on bed rest
I'm hurtin' for love
I didn't get the respect that I deserve,
It'll take time before I can find the will to get up.
The will to get up I want the dark could somebody cut the lights off
Cut the lights on tryna get a rise on gone like the sun
Till morning and I can't lie when the day goes by
I'm missing you I'm so horny
Baby I wish I could hold you promise
I'll neva' let go of ya baby you got me gone on,
Gone gone oh baby (eh eh eh eh eh eh, oh baby eh eh eh eh eh eh) I don't know why my eyes don't open till
noon
And even when they do they seem to close back at two
(I don't wanna get up I don't wanna get up no)
You got me gone, I'm so on every time you give me
Exactly what I want so I don't know why I'm so sad and blue You got me on bed rest
I'm hurtin' for love
You got me on bed rest
It's like I'm givin' life up
Pillows and thoughts not takin' no calls and neva get up You got me on bed rest
I'm hurtin' for love
I didn't get the respect that I deserve,
It'll take time before I can find the will to get up.
The will to get up Baby I wish I could hold you promise
I'll neva let go of ya baby you got me gone on,
Gone gone oh baby (eh eh eh eh eh eh, oh baby eh eh eh eh eh eh)
