

# Tequilla

## M.i.a.

Johnie keep walking, Jack does too much coke  
Jim Beam and Jameson, they just gave me joke  
When I see Perno, I say oh hell no  
Kahlua's a turn off, I tell him to Smirnoff  
Captin Morgan, a shake with sparks  
When we hang out, he shoots arrows through my heart  
Blue tattoo, chillin up in Malibu  
He got 99 Bananas, but he ain't my booooooooo  
I got sticky sticky ikky ikky wiiiiiiiiiiiiid  
I got a shot of tquila in me  
I got sticky sticky ikky ikky wiiiiiiiiiiiiid

I got a shot of tquila in me  
When I met segrams  
Sent chivez down my spine  
got me on the dance floor  
then we start to wine  
His ex sambuka  
She jus a hooker  
I put it on a chilla but  
I want to quil a  
I got sticky sticky ikky ikky wiiiiiiiiiiiiid  
I got a shot of tquila in me
