Like It's A Bad Thing

Gary Allan

They say I drive a little fast
Say I like to push the limit
Everyday I?m living like it was my last
They say I?m proud of my scars
Each one tells a story
Got guts and glory
Down to an art, say I know what it's like
To see life pass right before my eyes
Like it?s a bad thing
I don't know about you
But I was put here to live and love
So what if I don't do it
Like everybody else does
They say I?m out on the edge
I?m too willing to risk
Every bone, every breath
They say all I am is a crazy dream
Like it's a bad thing
So my heart's been broke
So I keep on falling
I?m nothing but all in
When I let go, I wear it on my sleeve
Yeah, they call me a fool ?cause I still believe
Like it?s a bad thing
I don't know about you
But I was put here to live and love
So what if I don't do it
Like everybody else does
They say I?m out on the edge
I?m too willing to risk
Every bone, every breath
They say all I am is a crazy dream
Like it's a bad thing
I don't know about you
But I was put here to live and love
So what if I don't do it
Like everybody else does
They say I?m out on the edge
I?m too willing to risk

Every bone, every breath
They say all I am is a crazy dream
Like it's a bad thing
Like it's a bad thing
Like it's a bad thing
