Hollywood U.s.a.

Rupaul

Hollywood
Stone cold city took a bite out of me
Love of my life said he had to leave
I'd rather take my chances back in Tennessee?
Hollywood U.S.A.
Hollywood U.S.A.
Hollywood U.S.A.
Hollywood U.S.A.
All alone in my room, full of gloom
Livin' on the dark side of the moon
A phone rings not a moment too soon
Is it you coming to my rescue?
Sacrificed our love to fulfill my dreams
But everything that glitters ain't what it seems
I miss the lovin' arms that once held me
I wanted fame but all I got was misery in
Hollywood U.S.A.
Hollywood U.S.A.
Hollywood U.S.A.
Hollywood U.S.A.
Pack, pack, pack, packin' up, givin' in, I can't win
Goin' back to start over again
Greyhound bus, gotta rush to my man
Will he still be my number one fan?
Sacrificed our love to fulfill my dreams
But everything that glitters ain't what it seems
I miss the lovin' arms that once held me

I wanted fame but all I got was misery in
Hollywood U.S.A.
Hollywood U.S.A.
Hollywood U.S.A.
Hollywood U.S.A.
Sell your soul to be a star workin' in a bar
Change your name to play the game, it all remains the same
Sing your song, you got the part, don't forget your heart
You'll need it when you reach the top and you're alone in
Hollywood
Hollywood

Hollywood
Hollywood
I lost my love in Hollywood, yeah
I lost my love in Hollywood
I lost my love
I'll say bye bye to Hollywood
I lost my love in Hollywood
Yeah, I'll say bye bye
Oh oh yeah, I'll say good bye
I lost my love, I'll say good bye
I lost my love, I'll say good bye
I lost my love love love love love love, I'll say good bye
Ooh, I'll say good bye to Hollywood, oh yeah
Hollywood
