

# Today I Started Loving You Again

**Merle Haggard**

Today I started lovin' you again  
I'm right back to where I've really always been  
I got over you just long enough to let my heartache mend  
Then today I started loving you again What a fool I was to think I could get by  
With only these few million tears I cried  
I should have known the worst was yet to come  
And the crying time for me had just begun 'Cause today I started loving you again  
I'm right back to where I've really always been  
I got over you just long enough to let my heartache mend  
Then today I started loving you again
