nareul guhaejwoyoEnglish Translation:I want you to find me and save me
My dreams and all the things
I endlessly wanted are becoming
Old friends, I can't believe it at all
I yelled but all that came back was "Just go"
That phrase, that one phrase
Made me gather my hands and be still like an idiot
"I'm sorry" saying it was like a habit
A saying beyond my understanding
Save me, I can't see in front of me
I won't let you go, I can't anymore
I'm in danger, I'm shouting Mayday
Please be the last missing piece of the puzzle
Save me, I am sinking into you
Take me out, I can't breathe
I'm in danger I'm shouting Mayday
Please be
The last missing piece of the puzzle MAYDAY
Our radiant first flight
There were eyes on us and shadow-like hopes
They all turned away because we couldn't live upto them
I lightly smile but
My insides are twisted without anyone knowing about it
"I'm sorry" saying it was like a habit
A saying beyond my understanding
Save me, I can't see in front of me
I won't let you go, I can't anymore
I'm in danger, I'm shouting Mayday
Please be the last missing piece of the puzzle
Save me, I am sinking into you
Take me out, I can't breathe
I'm in danger I'm shouting Mayday
Please be the last missing piece of the puzzle
I am still afraid of this dark path
I don't know where I'm going but
If you can hold my hand

Whatever I do, wherever I end up
Whatever is front of me
I will fly together with you oh
Save me, I can't see in front of me
I won't let you go, I can't anymore
I'm in danger, I'm shouting Mayday
Please be the last missing piece of the puzzle
Save me, I am sinking into you
Take me out, I can't breathe
I'm in danger I'm shouting Mayday
Please be
The last missing piece of the puzzle
MAYDAY
Save me
