Love Fool

çŽ‹å„·å©·

Dear, I fear we're facing a problem
You love me no longer, I know
And maybe there is nothing
That I can do to make you do
Mama tells me I shouldn't bother
That I ought to stick to another girl
A girl that surely deserves me
But I think you do
So I cry and I pray and I beg
Love me, love me, say that you love me
Fool me, fool me, go on and fool me
Love me, love me, pretend that you love me
Leave me, leave me, just say that you need me
So I cried and I begged for you to
Love me, love me, say that you love me
Leave me, leave me, just say that you need me
I can't care about anything but you
Lately I have desperately pondered
Spent my nights awake and I wonder
What I could have done in another way
To make you stay
Reason will not pledge a solution
I will end up lost in confusion
I don't care if you really care
As long as you don't go
So I cry and I pray and I beg
Love me, love me, say that you love me
Fool me, fool me, go on and fool me
Love me, love me, pretend that you love me
Leave me, leave me, just say that you need me
So I cried and I begged for you to
Love me, love me, say that you love me
Leave me, leave me, just say that you need me
I can't care about anything but you
Anything but you
Love me, love me
Fool me, fool me
Love me, love me
I can't care about anything but you
