

School Is Out

Ry Cooder

(Anderson/Barge/Guida/Royster)

(C) - (F) - (G)(C) No more books and studies

And I can (F) stay out late with my buddies

(C) I can do the things that I wanna do

'Cause (G) all my cares are through

I can (C) root for the Yankees from the bleachers

And don't (F) have to worry 'bout teachers

And (C) I'm so glad that school is out

Well, (G) I'm gonna sing and (C) shout!CHORUS:

(School is (G) out)

Everybody's gonna have some fun

(School is (C) out)

Everybody's gonna jump and run

(School is (G) out)

Come on, people, don't you be late

(School is (C) out)

I just got time to take my girl out on a date

(C) School is out at last

And (F) I'm so glad I passed

(C) Everybody come and go with me

We're gonna have a night with (G) Daddy GPeople, are you ready, people, are you ready

For the show time, show time that's in your town ?

People, are you ready, people, are you ready

For the show time, show time that's in your town ?
