Everything's Alright

The Mojos

Oh, little baby, you know I've been away
Oh, little baby, you know I'm home today
And don't you know that

Everything's alright
Everything's alright
Everything's alright
Let me hold your hand, be your loving man
Let me hold your hand, be your loving man
Let me hold your hand, be your loving man

Oh, little baby, you know I feel so good
Oh, little baby, I never knew I could
And don't you know that

Everything's alright
Everything's alright
Everything's alright
Let me give you loving like nobody can
Let me give you loving like nobody can
Let me give you loving like nobody can

Let me give you loving like nobody can
Let me give you loving like nobody can
Let me give you loving like nobody can

Know, know, know, know, know that your love is true
I know, know, know, know, know I'll be good for you

Everything's alright
Everything's alright
Everything's alright
Let me hold your hand, be your loving man
Let me hold your hand, be your loving man
Let me hold your hand, be your loving man

Everything's alright
Everything's alright
