

# You Make Me Feel...

## Cobra Starship

La la la la la  
La la na na na  
La la la la la  
La la na na na Girl I've been all over the world  
Looking for you  
I'm known for taking what I think I deserve  
And you're overdue And if you listen you can hear me through the radio  
In that bright white noise  
What I been missing in my life  
What I been dreaming of  
You'll be that girl  
You'll be that girl  
You'll be Everything you want so let me get up there  
I'm the baddest baby in the atmosphere  
Tell me what you want so we can do just what you like You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You, you make me feel that Get a little closer to me girl  
And you'll understand  
'Cause if you want a guy that knows what you need  
Well, then I'm your man And if I listen I can hear you through my radio  
In that bright white noise  
What I been missing in my life  
What I been dreaming of  
You'll be that girl  
You'll be that girl  
You'll be Everything you want so let me get up there  
I'm the baddest baby in the atmosphere  
Tell me what you want so we can do just what you like Ooh  
Everything you know I'm flipping upside down  
Take you 'round the world  
You know I like it loud  
Tell me what you want 'cause we can do just what you like You make me feel that  
La la la la la

You make me feel so  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel, oh  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel, oh  
La la la la la Put your hands up  
Put your hands up  
Let the lights drop  
Let the lights drop  
Make my world stop  
Make my world stop La la la la la  
La la na na na  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel, oh  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel that  
La la la la la
