

Rage Hard (Freddie Bastone Remix)

Frankie Goes to Hollywood

Rage! Rage! Rage! Rage!
Rage Hard! Laugh like the head of Apollo
Young and strong on the wings of tomorrow
Rise up in millions get off your knees
Dispelling the demons
In the valley of danger
We all work together, sculptures in sorrow
With love light to follow, on
Sweet head of Apollo Rage hard, into the light
Rage hard, doing it right, doing it right
Rage Hard, against the dark
Rage Hard, make your mark
Let the tournament begin
Don't give up and don't give in
Strength to rise up, strength to win
Strength to save the wor(l)d from losing Rage Hard, into the light
Rage Hard, doing it right
Rage Hard, against the dark
Rage Hard Rage! Rage Hard Though blue eyes of children
They shine without fear
Hope is the future, with oceans of cheer
Nothing to fear
There's nothing to fear
Though laughter of angels resounding
From heaven keep fighting the favours
Of charlatan saviours, charlatan saviours Rage hard, into the light
Rage hard, doing it right, doing it right
Rage Hard, against the dark
Rage Hard, make your mark
Let the tournament begin
Don't give up and don't give in
Rage hard, into the light
Rage hard, doing it right
Rage Hard, against the dark
Rage Hard, make your mark I don't know which way to go
My love's like driven snow
When we past the test of time
My love you shall be mine
And if only, lost and lonely

Is all that's wrong with me, we'll be free
Be free, be free Laugh like the head of apollo
Young and strong on the wings of tomorrow

Rage Hard

Rage Hard

Let the tournament begin

Don't give up and don't give in Rage Hard, into the light

Rage Hard, doing it right

Let the tournament begin

Don't give up and don't give in

Strength to rise up, strength to win

Strength to save the wor(l)d from losing
