

# Gotta Get Away

## The Blues Magoos

I'm getting edgy all the time  
There's someone around me just a step behind  
It's kinda scary, the shape I'm in  
The walls are shakin' and they're closing in

Too fast or a bit too slow  
I'm paranoid of people and it's starting to show  
There's one guy that I can't shake  
Over my shoulder is a big mistake

Sitting on the bed  
Or lying wide awake  
There's demons in my head  
And it's more than I can take

[Chorus]  
I think I'm on a roll  
But I think it's kinda weak  
Saying all I know is  
I gotta get away from me

I tell you something just ain't right  
My head is on loose but my shoes are tight  
Avoiding my friends cause they all bug  
Life is a riddle and I'm really stumped

If you reason, don't you know  
Your own preoccupation is where you'll go  
I think I'm being followed, I look around  
It's only my shadow creepin' on the ground

[Chorus]
