

Tell Me More

Red Sleeping Beauty

You say that you want me
It's love, so go haunt it The lights are flashing in your eyes Tell me more on the dance floor
I really love this song
Tell me more on the dance floor
I feel we can't go wrong This night is not over
You are moving closer The lights are flashing in your eyes Tell me more on the dance floor
I really love this song
Tell me more on the dance floor
I feel we can't go wrong The lights are flashing in your eyes
Tell me more on the dance floor
I really Love this song
Tell me more on the dance floor
I feel we can't go wrong
