No Sense In Lovin'

Uncle Tupelo

I don't know what you've been through
You might think that I don't care
But I doAnd I've tried to understand
I've tried to understand your abuse
But you've got no excuseAnd there's no use in lovin'
Anyone who hates them selfYou keep coming back
So I hold you for a little while
But I always go
When I can't take your sad smile'Cause I can't stand it
When you get so intense
And it's all a part of our bad inheritanceAnd there's no sense in lovin'
AnyoneWon't you come back for a while
You could see exactly
What you've always meant to meBut you don't wanna know
You don't wanna know
And you don't know what I've been throughAnd if I think that you don't care
You probably do
And there's no sense in lovin'
Anyone who hates them self
