Supersonic Bitch

Pain

I, I never really meant to hurt you bad
I, I just sent a computer error
I, I just want to control your whole life
I, I just keep you hooked up to my lineHey, little bitch
Don't you know it's supposed to work
Hey, little bitch
Your my supersonic bitchNow I'm hooked back up
I got you on my screen
All I can do is press and turn
And you spread your legs in the screenI know I've explored
Every inch of your naked body
And then you start to bore me
I press delete and search for a new targetHey, little bitch
Don't you know it's supposed to work
Hey, little bitch
Why can't you come here and give me a kissHey, little bitch
You will always get what you deserve
Hey, little bitch
Your my supersonic bitchHey, little bitch
Don't you know it's supposed to work
Hey, little bitch
Why can't you come here and give me a kissHey, little bitch
You will always get what you deserve
Hey, little bitch
Your my supersonic bitch
