Mellow Down Easy

Little Walter

You jump, jump here
You jump, jump there
You jump, jump, jump
EverywhereThen you mellow down easy
Mellow down easy
You mellow down easy
When you really wanna blow your topYou shake, shake here
You shake, shake there
You shake, shake, shake
EverywhereThen you mellow down easy
Mellow down easy
You mellow down easy
When you really wanna blow your topYou wiggle, wiggle here
You wiggle, wiggle there
You wiggle, wiggle, wiggle
EverywhereThen you mellow down easy
Mellow down easy
You mellow down easy
When you really wanna blow your top
