

Mellow Down Easy

Little Walter

You jump, jump here
You jump, jump there
You jump, jump, jump
Everywhere Then you mellow down easy
Mellow down easy
You mellow down easy
When you really wanna blow your top You shake, shake here
You shake, shake there
You shake, shake, shake
Everywhere Then you mellow down easy
Mellow down easy
You mellow down easy
When you really wanna blow your top You wiggle, wiggle here
You wiggle, wiggle there
You wiggle, wiggle, wiggle
Everywhere Then you mellow down easy
Mellow down easy
You mellow down easy
When you really wanna blow your top
