Advisory - the following lyrics contain explicit language:

i know the lord will make a way This song reminds me of a traditional Sunday morning church service. Theres just not much more to say I think we can all sing this song and testify that God always makes a way, always!

know the Lord
Will make a way
Yes He will
I know the Lord
Will make a way
Yes He will
Hell make a way
For me and for you
The lord will see you
Safely through
I know the lord
Will make a way
Oh, yes he well I know the Lord
Will make a way
Yes He will
I know the Lord
Will make a way
Yes He will
Hell make a way
For me and for you
Hell open up doors
That Im not able to
I know the lord
Will make a way
Oh, yes He will Yes He will
Yes he will
Yes he will (repeated) I know The Lord
Will make a way
Oh, yes He will
Hell make a way

Outta no way
Hell turn your night into day
I know the Lord
Will make way
Oh, yes he will Yes He will
Yes he will
Yes he will (repeated) I know The Lord
Will make a way
Oh, yes He will
Hell make a way
Outta no way
Hes a mighty good God
Wholl see you through
I know the Lord
Will make a way
I know the Lord
Will make a way
I know the Lord
Will make a way
Oh, yes He will
