Motivation

Dr. Apple

Oh lover, don't you dare slow down
Go longer, you can last more rounds
Push harder, you're almost there now
So go lover, make mama proud
And when we're done
I don't wanna feel my legs
And when we're done
I just wanna feel your hands all over me, baby
You can't stop there
Music still playing in the background
And you're almost there
You can do it, I believe in you, baby
So close from here
Baby, I'ma be your motivation
Go, go, go, go
Motivation
Go, go, go, go
Uh, girl I turn that thing into a rain-forest
Rain on my head, call that brainstorming
Yeah this is deep, oh, but I go deeper
Make you lose yourself and finders keepers
It go green light, go Weezy go
I like to taste that sugar, that Sweet and Low
But hold up wait, new position
I put her on my plate then I do the dishes
She my motivation, I'm her transportation
'Cause I let her ride while I drive her crazy
Then I just keep going, going, like I'm racing
When I'm done she hold me like a conversation
Weezy, baby
And when we're done
I don't wanna feel my legs
And when we're done
I just wanna feel your hands all over me, baby
You can't stop there
Music still playin' in the background
And you're almost there
You can do it, I believe in you baby
So close from here

Baby, I'ma be your motivation
Oh lover, when you call my name
No other can do that the same, no
I won't let ya get up out that game, no
So go lover, don't it make me rain?
And when we're done
I don't wanna feel my legs
And when we're done
I just wanna feel your hands all over me, baby
You can't stop there
Music still playin' in the background
And you're almost there
You can do it, I believe in you baby
So close from here
Baby, I'ma be your motivation
