

Violent Night (Feat. Po Boy)

[Afroman](#)

Drink some wine, smoke a blunt with me
Call up some friends, and play this CD
Merry Christmas to all of you
I say yeah, Merry Christmas to all of you Silent night, po-police line
Stop the engine, keep your head inside
Cops surround me, pistols in hand
Three outstanding warrants for just suffering
Sleep in the county jail, can't post no bail (I wanna wish you a merry Christmas to all of you
(holiday is f**ked up)
Merry Christmas (you gotta have a good time anyway) to all of you
I said, yeah, merry Christmas Si-silent night (he said silent night), handcuffs are tight (have you ever had the
handcuffs tight?)
People staring at me at the red, red light
Ninety-five hundred I've seen a far
Past higher robbing the custody car
Sleep in the county jail, can't, can't post no bail
