Away From Me

Evanescence

I hold my breath, as this life starts to take its toll
I hide behind a smile as this perfect plan unfolds
But oh, God, I feel I've been lied to
Lost all faith in the things I have achieved and I
I've woken now to find myself
In the shadows of all that I have created
I'm longing to be lost in you
(Away from this place I have made)
Won't you take me away from me
Crawling through this world as disease flows through my veins
I look into myself but my own heart has been changed
I can't go on like this, I loathe all I've become
I've woken now to find myself
In the shadows of all that I have created
I'm longing to be lost in you
(Away from this place I have made)
Won't you take me away from me
Lost in a dying world I reach for something more
I have grown so weary of this lie I live
I've woken now to find myself
In the shadows of all that I have created
I'm longing to be lost in you
I, I've woken now to find myself
I've been lost in shadows of my own
I'm longing to be lost in you, away from me, from me
From me, from me, from me
From me, from me, from me
