Crossfire

Kansas

Underneath the sky of blue, it's a time of choosing
Everybody's holding on, to what they're losing
But it all works out okay, if you give your life away
To the one who's holding fast, it's a promise that will lastYou're caught in a crossfire
Of a greater love than man has ever known

Caught in a crossfire

And you've got to choose which way you're gonna go

Caught in a crossfire

In a world of darkness turn to the lightTime's disappearing, all that you're fearing

Dreamers awaken, chances are taken awayThere isn't any in-between, there's no escaping

If you step across the line, it's illuminating

And the words are clear and true and they all were meant for you For you harvest what you sow, so where you gonna goYou're caught in a crossfire

Of a greater love than man has ever known

Caught in a crossfire

And you've got to choose which way you're gonna go

Caught in a crossfire

In a world of darkness turn to the lightThere's no pretending, no other ending All is forgiven, if you are living a newEverybody faces it, now or later

You can't get around it, 'cause it's human nature

And deep within the hardest heart

There is something there that knows

There's a hunger life can never fill

Till you face the one who roseYou're caught in a crossfire

Of a greater love than man has ever known

Caught in a crossfire

And you've got to choose which way you're gonna go

Caught in a crossfire

In a world of darkness turn to the lightTime's disappearing, all that you're fearing

Dreamers awaken, chances are taken

There's no pretending, no other ending

All is forgiven, if you are living a new, living a new
