Days Go By

Glossary

I'm changing lanes, I'm talking on the phone
I'm drivin' way to fast and the interstates jammed with
Gunners like me afraid of coming in last
But somewhere in the race we run
We're coming undone
Days go by
I can feel 'em flying
Like a hand out the window in the wind the cars go by
It's all we've been given
So you better start livin' right now
'Cause days go by
Out on the roof just the other night
I watched the world flash by
Headlights, taillights running through a river of neon signs
But somewhere in the rush I felt
We're losing ourselves
And days go by
I can feel 'em flying
Like a hand out the window in the wind the cars go by
It's all we've been given
So you better start livin' right now
'Cause days go by
Yeah, these days go by
We think about tomorrow then it slips away
Oh, yes it does
We talk about forever but we've only got today
And the days go by
I can feel 'em flying
Like a hand out the window
When the cars go by
It's all we've been given
So you better start livin'
You better start livin'
Better start livin' right now
'Cause days go by
I can feel like 'em flying
Like a hand out the window in the wind the cars go by
It's all we've been given
So you better start livin' right now

'Cause days go by
Yeah, these days go by
So take 'em by the hand
They're yours and mine
Take 'em by the hand
And live your life
Take 'em by the hand
Don't let 'em all fly by
Come on, come on now
Don't you know the days go by?
