## Zmelkoow

When I was just a little boy  
I really longed to have a gun  
but when I said to my mum  
I saw she wouldn't buy me one  
But my young mind would not forget  
and so I couldn't just give up  
that night when all was still and quiet  
I went and stole my money box  
Oh bloody gun ...  
I smashed the pig I bought a gun  
my mama said now no more cake ...  
for your birthday no cake  
when I was just a little boy  
my goals were surely well defined  
and what I saw was what I got  
and I just saw that bloody gun  
What a delusion ...  
I fell for passion ...  
Oh bloody gun ...  
I smashed ...
