## **Don't Leave Me This Way**

## **Harold Melvin**

Don't leave me this way
I can't survive, I can't stay alive
Without you love
Don't leave me this way,no
I can't exist, I will surely miss
Your tender kiss
Don't leave me this way no

Don't leave me this way,no

Don't leave me this way,no

I'm broken man with empty hands, oh baby please, please
Don't leave me this wayOh baby, my heart is full of love and desire for you
So come on down and do what you've got to do

You started this fire down in my soul Now can't you see it's burning, out of control

So come down and satisfy the need in me

Cos only your good loving can set me freeDon't leave me this way 'Cause it would be wrong to string along with love so true

Don't leave me this way

Don't you understand I'm at your command oh baby please don't leave me this wayDon't leave me this way I can't survive, I can't stay alive

Without you love

Don't leave me this way,noOh baby, my heart is full of love and desire for you So come on down and do what you've got to do

You started this fire down in my soul

Now can't you see it's burning, out of control

So come down and satisfy the need in me

Cos only your good loving can set me freeI need it right now, I said I need

I need your love baby

Please, your love , please, please your love

Please,please your love

Please, please your love

Please, please your love

Please, please your love

Please, please your love

Please,please your love
Please,please your love
Please,please your love
Please,please your love
Please,please your love
Please,please your love
Please,please your love
I don't you you to go
See I love you you can't go
Would you stay with me, stay stay with me, baby please
