The Bridges

VERSE 1:

time isn't telling me a thing
it's playing with my heart
i'm tearing at the seams
you on the other hand
choosing what to understand
is old

i'm sure you know howCHORUS:

we always find ourselves in
the deepest corner of
the darkest hour we
can't get much louder than this
we always lose our hearts in
the strangest places

picking up the pieces we breakREFRAIN:

i just wont tell you 'bout it
ohVERSE 2:

love isn't costing me a thing
you're hearing what you want
you want me so it seems
time is the risk we take
holding on to one mistake
let go

i'm sure you know howCHORUS

REFRAIN x 2BRIDGE:

oh, break it like you mean it, boy
say it like you said ti before
you're just in time to make a mistake
had all the time i can takeCHORUS
REFRAIN
