

A Little Less Conversation

Elvis Presley

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

Baby close your eyes and listen to the music
Drifting through a summer breeze
It's a groovy night and I can show you how to use it
Come along with me and put your mind at ease

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

Come on baby I'm tired of talking
Grab your coat and let's start walking
Come on, come on
Come on, come on
Come on, come on
Don't procrastinate, don't articulate
Girl it's getting late, gettin' upset waitin' around

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby
