

Do It Right Now

Roscoe Robinson

By the time
You really want me,
Darling I
May not want you...

If you think
Oh, I'm gonna sit around and wait forever
I need to tell you
Right now
This won't do...

Another thing, baby:
Time waits for no one to make up their minds.
If you're ever gonna give this love a chance,
Do it right now.

Don't
Ever listen to your friends.
Ooh, sometimes sometimes sometimes
They'll be wrong.
They'll try to tell you how to live your life
When they can't even take care of their own.

You may not believe me,
But time waits for no one.
It keeps moving on
Somehow
If you're ever gonna give this love a chance
Yeah,
Do it right now.
