Hiding Place

Maren Ord

Stop that whispering in my ear
Don't tell me things I don't want to hear
I don't know if I'm okay with this
And you should know that you're not bright
That's how it goes

That's how it goes

Stop the lingering by my side
I don't want to come out of my head and please go
I'm not okay with this
Would you just go
I'm not alright and I don't know

When I'm alone I really can see
That you are the one
Who understands me
When I'm torn and tourted inside

Will you give me strength
You are my light
When I don't know
Where I should go

When you sayin' it to my face
I'm gonna' put you back in your place
You don't know it's not a fight anymore
You don't know I'm not alright
For what I don't know

When I'm alone I really can see
That you are the one
Who understands me
When I'm torn and tourted inside

Will you give me strength
You are my light
When I don't know
Where I should go

I don't know

Don't try to save me
Don't try to break me
Don't suffocate me
I know you want it now

Stop that whispering in my ear
Don't tell me things I don't want to hear

Don't try to save me
Don't try to break me
Don't suffocate me
I know you want it now

Stop that whispering in my ear
Don't tell me things I don't want to hear

But when I'm alone I really can see
That you are the one
Who understands me
When I'm torn and tourted inside

Will you give me strength
You are my light
When I don't know
Where I should go
I don't know

I don't know

When I don't know
