Big Blue Tree

Michael English

Big blue tree

She's As Funny As A Big Blue Tree
She Don't Love Him And She Don't Love Me

You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

Well I Got A Woman
She Used To Be Real Sweet
But She's Gone Crazy
From Her Head Down To Her Feet

She's As Funny As A Big Blue Tree
She Don't Love Him And She Don't Love Me
You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

I'm Driving All Night Long
And The Sun Is Coming Up At Last
But The Juice And The Beer
Are Running Up Kind Of Fast

So I Call Her Up And I Go Back Home
But The Night Feels Young
When You're On Your Own

You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

I Said Hey Oh Hey Oh
I Said Hey Oh Hey Oh

Yes She's As Funny As A Big Blue Tree
She Don't Love Him And She Don't Love Me
You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

Instrumental

Yes She's As Funny As A Big Blue Tree
She Don't Love Him And She Don't Love Me
You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

So Next Saturday Night
I'm Gonna Pay Her One Last Call
'cos The House Is Mine
And In Fact I Own It All

I'm Gonna Pack Up And Walk Out That Door
And I Ain't Coming Back No No No More

You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

I Said Hey Oh Hey Oh

Yeah Hey Oh Hey Oh

Yeah She's As Funny As A Big Blue Tree
She Don't Love Him And She Don't Love Me
You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

Instrumental

Yeah She's As Funny As A Big Blue Tree
She Don't Love Him And She Don't Love Me
You Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

I Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am

I Got To Hold On And Leave Her
And I'm Gonna Leave Her Yes I Am
