

It Wouldn't Have Made Any Difference (Live 1972)

Todd Rundgren

Do you remember the last time I said
If I ever thought about lying,
I'd rather think of dying instead
And maybe you remember the last time you called me
To say we were through
How it took a million tears
Just to prove they all were for you
But those days are through 'Cause it wouldn't have made any difference,
If you loved me
How could you love me
When it wouldn't really make any difference,
If you really loved me
You just didn't love me 'Cause I know of hundreds of times I could be
In the most unfaithful arms that you always picture me
And maybe you remember that
Though I can't always show proof I was true
No one else could change my mind or
Stop me coming home to you
But those days are through You just did not love me enough to believe me
Enough not to leave me
Enough not to look for a reason to be unhappy with me
And make me regret ever wanting you
But those days are through
