

# Good

## Marian Hill

I've been on the prowl  
Since you shut me out  
And we're done for now  
But you're here somehow Say you want a chance  
and you wave your hands  
I'm already gone,  
Won't you move along? And it's such a shame  
you've been off your game  
If I tried to stay  
wouldn't last a day Now you want it bad  
and you can't relax  
I'm already gone,  
won't you move along? You're looking good but I know you already know  
I'm feeling good 'cause I don't need you anymore  
I wish you could walk away, let me let it go  
I'm feeling good 'cause i don't need you anymore Now you're on the phone  
Say you're so alone  
Thought you made your plans  
now you make demands You don't want an end  
Now you want this again  
I'm already gone  
won't you move along You're looking good but I know you already know  
I'm feeling good 'cause i don't need you anymore  
I wish you could walk away, let me let it go  
I'm feeling good 'cause I don't need you anymore Look so fly and I knew you'd tempt me  
Can't get high with our tank on empty Used to have some way with your silver tongue  
now you're all cliché saying I'm the one,  
I don't need your pleas, I don't need your time  
so get off your knees and get off my mind You're looking good but I know you already know  
I'm feeling good 'cause i don't need you anymore  
I wish you could walk away, let me let it go  
I'm feeling good 'cause I don't need you anymore
