

# Ode to Me

## Boy Kicks Girl

("Evil" Kevin La Bounty 1997)

Kevin was a boy who tried too hard.

His feelings were hurt, and his heart was scarred.

Head down, you can make out a smile...

But inside he's always crying.

Spent some cash, and he bought a guitar.

Wrote some songs... Yeah, he's gonna' go far.

Nobody's gonna' keep him down.

Kick those girls who made him frown.

I wanna' go all the way...

Go there with you.

I wanna' do everything...

Do them with you.

I'm gonna' go all the way...

Go there with you.

I got what you ode to me.

Girlfriends are lame.

They dont use the brain they're born with...

I swear...

I can't tell you how many times I asked myself, "Why?"

But now I got back what you ode to me.
