Fields of Fire

Big Country

1, 2

1, 2, 3, 4Between a father and a son Between the city and the one Before the teacher and the test Before the journey and the restThe shining eye will never cry The beating heart will never die The house on fire holds no shame I will be coming home againFour hundred miles Without a word until you smile Four hundred miles On fields of fireBetween a woman and a boy Between a child and his toyBetween a woman and a boy Between a child and a toy Before the falling of the West Before the journey and the restFour hundred miles Without a word until you smile Four hundred miles Without a word until you smile Four hundred miles On fields of fire
