Shiver Down My Spine (feat. J. Perry)

Claudia Leitte

Boy, you're going too fast
But I don't care 'bout that
I'm not the kind of girl you're used to
No need you too cool
I know you're old school
Just be yourself, and let me show youI don't care, I'll take the raise
and you'll know what to do
It's all that, so that's nothing left to lose
You don't have to hold my hand,
(I don't need that kind of love)
You don't need to be my friend
(Making love is just enough)
If you want to be the man,
(You gotta turn my world around)
Take your time, and send that shiver down my spine
Oh oh oh oh oh ooh,
La la da da da
Oh oh oh oh oh oohDon't act politely,
Don't worry about me,
I want a love that's more exciting, oh oh oh
Don't have to be cool, I just wanna feel you
Stare through my eyes when you're beside meI don't care, I'll take the raise
and you'll know what to do
It's all that, so that's nothing left to lose
You don't have to hold my hand,
(I don't need that kind of love)
You don't need to be my friend
(Making love is just enough)
If you want to be the man,
(You gotta turn my world around)
Take your time, and send that shiver down my spineForget the rings,
I don't need those things
Throw out the roof
No, no, no,
Don't complicate it
I'll demonstrate it
It's not about you, yeahYou don't have to hold my hand,
(I don't need that kind of love)
You don't need to be my friend

(Making love is just enough)
If you want to be the man,
(You gotta turn my world around)
Take your time, and send that shiver down my spineOh oh oh oh,
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
