Another Sun

Fool's Gold

Do I need another house
Another coat, another high
Another sun, another soul
Another life
Awake, awake, awake
It's all the voices in my mind
Alive, alive, alive
It's not enough to make it alrightWhy don't we try?
Why don't we try?
Why don't we try?
To give it all away
But hold on to us
It's just another road
Another road, another ride
Another fight, another love
Lost in its pride
You lock the door
I'll bring the mail
Light up the floor, raise up the sails
You lock the door
I'll bring the mail
Light up the floor!
Why don't we try?
Why don't we try?
Why don't we try?
To wash away the pain
And run like we're caught
Those ordinary days
They come in like a fog
The choices and the chains
They make it all stop
I just keep wondering where
We're hold on to us
You lock the door
I'll bring the mail
Light up the floor, raise up the sails
You lock the door
I'll bring the mail
Light up the floor, raise up the sails
