Fades Away

Beach Day

Well you can take a moon right out of the sky.
But the sun will always find a way to shine.
Reflections echo, into the sea.
Take all you've gathered, and bring it back to me.It doesn't really matter, wha-a-at you say.
It doesn't really matter, it just fades away.
Ohohoh.
Ohooh.
Ohohoh
Ohoooh.
I heard about all the things you've said.
You don't know what it was like to be your friend.
Don't you live a double life, and do tonight.(?)
Darkness surrounds you, and only you know why.It doesn't really matter, wha-a-at you say.
It doesn't really matter, it just fades away.
Ohohoh.
Ohooh.
Ohohoh
Ohoooh.
It doesn't really matter, wha-a-at you say.
It doesn't really matter, you just fade away.
It doesn't really matter, wha-a-at you say.
It doesn't really matter, it just fades away.
Ohohoh.
Ohooh.
Ohohoh
Ohoooh.
