

Magic

Zig Zags

Light Breaking through the Forest
Brain spinning in my Head
Plain to see in the dark of night the chase has just began
Bone and bloody winter
Full Moon Shining Bright
Burning Torch, running scared, sacrificial Night

Magic

Magic

Magic

Wind Burning down beneath me

Crystal creek ahead

Omen of Death Tonight

The Sky is turning Red

Anger builds inside me

Forces come undone

Chain the Fear

Break the Spell

Cuz Im The Chosen One

Wind Burning down beneath me

Crystal creek ahead

Omen of Death Tonight

The Sky is turning Red

Anger builds inside me

Forces come undone

Chain the Fear

Break the Spell

Cuz Im The Chosen One
