

# You See Me Crying

[Aerosmith](#)

You see me crying  
Don't let it get you down  
You see me crying  
I'm back to the lost and found Honey, what you done to your head  
Honey, what's the words that I said  
Honey, what you done to your head  
Honey, what's the words that I said You see me crying  
Say you're a ladies man  
You see me crying  
So hard to understand Honey, what you done to your head  
Honey, what's the words that I said  
Honey, what you done to your head  
Honey, what's the words that I said You see me crying  
Please say you'll stick around  
And I got to be your lover, honey  
Let me take you to town  
And I'll show you everything that I Know  
And I'll never gotta let you down  
'Cause my love is like a merry go round Honey, what you done to your head  
Honey, what's the words that I said  
Honey, what you done to your head  
Honey, what's the words that I said
