This Animal

Red Fang

The captain's weary
She's lost in wine
The ship is listing
With a broken spineHome system calling
No husband now
The galley's holding
The end of us allIt's in us all
It's in us all
It's in us allIt's in us all
This animal
It's in us all
It's in us all
It's in us all
It's in us allIt's in us all
This animal
It's in us allAll hands gone missing
Blood banks are dry
Dead vessel screaming
An empty hullAdrift in silence
Breathe breath no air
All comms are hissing
In space so coldIt's in us all
It's in us all
It's in us all
It's in us all
This animal
It's in us allIt's in us all
It's in us all
It's in us allIt's in us all
This animal
It's in us all
