

# Getting Over You

David Guetta Ft. Chris Willis, Fergie And Lmfao

I gotta get over, gotta gotta get over you  
I gotta get over, gotta gotta get over you  
I gotta get over, gotta gotta get over you  
I gotta get over, gotta gotta get  
Talk to 'em girl

I was always the one to keep it cool and all  
Never once let you in, built up this wall around me  
Never thought that I'd be in this position  
But in the back of my mind, I knew this would happen  
You overtook my door when I thought it was locked  
I got scared when you stole the key to my heart  
Got to convince myself, I don't need anyone  
That's why I let you go, but I couldn't be more wrong

'Cause there's really no getting over you  
Now I don't know what I'm supposed to do  
'Cause the more I try, the more I can't let you go

I gotta get over, gotta gotta get over you 2 x

Here we are, you was on, but I'm still stuck here  
Another girl in your life, she is taking over  
Everything that could have been mine,  
She is the one your with, late at night  
Now I realize, but it's too late

Boy every time that I see your face  
I don't know how much more my heart can take  
'Cause I lost a good thing and let it go to waste  
If I had a second chance, I'd never make the same mistake

'Cause there's really no getting over you  
Now I don't know what I'm supposed to do  
Cause the more I try, the more I can't let you go  
Guess there's really no getting over you  
I see your face and it breaks my heart in two  
I'm crying inside, I try not to let it go

I'm looking in the mirror but it's not me looking back

She would never let you go like that  
When I had the chance, I guess I let you slip away  
Now I've only got myself to blame

If I had a second chance, I'd never make the same mistake

'Cause there's really no getting over you  
Now I don't know what I'm supposed to do  
'Cause the more I try, the more I can't let you go

Gotta gotta get

Guess there's really no getting over you  
I see your face and it breaks my heart in two  
Though I'm crying inside, I try not to let it show

I gotta get over, gotta gotta get over you  
I gotta get over, gotta gotta get over you  
I gotta get over, gotta gotta get over you  
I gotta get over, gotta gotta get  
Talk to 'em girl
