

# In the Misty Moonlight

Dean Martin

In the misty moonlight  
By the flickering firelight  
Anyplace is all right  
Long as I'm with youIn a faraway land  
On the tropic sea sand  
If your hand's in my hand  
I won't be blueWay up on a mountain  
Way down in a valley  
I know I'll be happy  
Anyplace, anywhere, I don't careIn the misty moonlight  
By the flickering firelight  
Anyplace is all right  
Long as you are thereIn the misty moonlight  
By the flickering firelight  
Anyplace is all right  
Long as I'm with youIn a faraway land  
On the tropic sea sand  
If your hand's in my hand  
I won't be blueWay up on a mountain  
Way down in a valley  
I know I'll be happy  
Anyplace, anywhere, I don't careIn the misty moonlight  
By the flickering firelight  
Anyplace is all right  
Long as you're thereIn the misty moonlight  
By the flickering firelight  
Anyplace is all right  
Long as you're thereIn the misty moonlight  
By the flickering firelight
