

At Least We Tried

Moby

Oh my baby, don't cry
Oh my babe, just say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried At least we tried to make it
But in these days I'm so confused
Oh my love, at least we had it
Let me hold on to you Oh my baby, don't cry
Oh my babe, just say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried At least we tried but we lost it
I will remember
How you stood there and you smiling
And you smile there with me Oh my baby, don't cry
Oh my babe, just say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried Oh my baby, don't cry
Oh my babe, just say goodbye, say goodbye
Oh now baby, don't cry
Oh my babe, at least we tried, oh
Oh my baby, don't cry
Oh my babe, just say goodbye
Goodbye my baby, don't cry
Oh my babe, at least we tried, oh
